

## A letter of Invitation

Dear families

On **Thursday 13 June 2024**, we will be hosting an **Options Information Evening**. The evening is targeted at parents, carers and family members to find out about the options available when moving from Year 8 to Year 9.

The evening provides an opportunity to gather information regarding the options process and the subjects available to students moving into their GCSEs. We understand that this is the first major decision for our students in their school journey and want to encourage measured decisions through their whole support network both inside and outside of school.

The evening will run from 17:00 to 17:45 and parents are invited to attend via the main entrance. The evening will consist of a presentation showcasing the subject options, information on how students will make their choices and subject handbooks to support the decision making. There will be an opportunity for some Q&A at the end of the presentation.

Students had an Options Launch on Friday 13 May 2024, where subject leads presented their curriculum areas and students had an opportunity to see subject work and speak to current students completing the courses.

The deadline for Options is **Friday 21 June 2024**. The Form for students to complete with their options will go live on Friday 14 June, the day after the information evening.

Please follow the link to state your preference on attending: <https://forms.office.com/e/cdgctT8kh2>

Yours faithfully

David Hutton  
Assistant Principal
